

## Deregistering Your Tablet

1. Open the Ocean Tablet app on your tablet (your tablet should already be on this screen).
2. Tap the Ocean logo (or cog) at the bottom left corner of the main screen.
3. Enter your Ocean username and password to access the Administration Menu.  
**Note:** You will need to have admin access to your Ocean site to be able to access this Administration Menu on your tablet.
4. From the Administration Menu, select "Deregister".
