

WWLHIN eConsult Information: Online Access to Specialist Advice

An eConsult is a secure web-based tool that allows physicians and nurse practitioners timely access to specialist advice and often eliminates the need for a in person specialist visit.

- Over **430** PCP signed up for eConsult
- Data show that referrals are avoided in **67%** of cases
- Over **8000** eConsults have been sent from WWLHIN

Benefits:

- Fastest response received in 3 min 45 sec
- Median response time is 1 day
- Decrease unnecessary and/or inappropriate referrals
- Decrease wait times for diagnosis/treatment
- Decrease travel for patient
- Build knowledge in primary care
- Increase collaboration with the health care team

Billing:

- Primary Care Providers may bill OHIP code **K738** (\$16/consult) per the rules in the Schedule of Benefits.
- Specialists are paid an hourly rate of \$200/hr, pro-rated to the number of minutes required to answer the question
