

May 17, 2016**Cardiology Reports from Windsor Regional Hospital Available in ClinicalConnect™**

We are pleased to announce that cardiology reports from the Metropolitan and Ouellette Campuses at Windsor Regional Hospital are now available in the Radiology module of ClinicalConnect. Thank you to the teams at Windsor Regional Hospital and TransForm Shared Service Organization for their assistance in successfully completing this integration project.

For more information on ClinicalConnect, please visit <http://info.clinicalconnect.ca>.

ClinicalConnect is the Regional Clinical Viewer for the connecting South West Ontario (cSWO) Program, funded by eHealth Ontario. Hamilton Health Sciences is the Solution Provider deploying ClinicalConnect across the four South West Local Health Integration Networks. The cSWO Program is foundational to eHealth Ontario's commitment to integrate electronic health information for all Ontarians.

The Centre for Family Medicine Family Health Team (CFFM FHT) eHealth Centre of Excellence is the Change Management and Adoption Delivery Partner (CM&A DP) for the Waterloo Wellington Local Health Integrated Network (WWLHIN) and is responsible for the deployment of cSWO Program services. Our role is to work with local health service providers to facilitate the business and technical adoption of cSWO EHR Program solutions and standards into the regular delivery of care.
