There is currently a pause on onboarding new eReferral senders and receivers while Ontario Health is undergoing a public procurement through a Request for Proposal for Vendor(s) of Record to provide eReferral Management Solution(s). Please fill out the following form to be added to our onboarding queue:
[eReferral Expression of Interest](#)

If you are already set up with eReferral and need support or additional training, please reach out to eReferral@ehealthce.ca

Listings with "eFax" in the name indicate these receivers are part of the eReferral via eFax (Initial Phase) project. This project allows primary care clinicians to electronically send referrals to specialists who have not yet adopted eReferral. For more information, please visit:
[About eFax - eHealth Centre of Excellence](#)

TReC - Triage Referral to eConsult Initiative
 Allows specialists who receive an Ocean eReferral to respond as an eConsult (advice) in Ocean. Please email eReferral@ehealthce.ca if interested in learning more.
